

## INFERENCES:

- I would suggest that client should establish his start-up in Bangalore on the basis of data collected of start-up funding. From the data it is clear that among the Bangalore, Mumbai and NCR , Bangalore received the most number of funding .
- Given below is the list of investors who invested maximum number of times in any startup neglecting the undisclosed investors.

List Of Top 5 Investors who Invested maximum number of times :

1. sequoia capital
  2. accel partners
  3. saif partners
  4. blume ventures
  5. kalaari capital
- Start-up is in growth stage so the best suited investment type is Private Equity.
  - In terms of receiving funds, I would suggest to establish a Ecommerce Start-up.

**Concluding my inferences, A start-up of Ecommerce in bangalore with investment type of private equity has maximum chance of being successful.**
